

Arte Povera (French Edition)

Ce contenu est une compilation d'articles de l'encyclopédie libre Wikipedia. Arte Povera est un mouvement artistique italien, qui, au départ de Turin et de Rome, est apparu sur la scène internationale dans les années 1960. Arte Povera est une attitude prônée par des artistes italiens depuis 1967. Les artistes d'Arte Povera adoptent un comportement qui consiste à défier l'industrie culturelle et plus largement la société de consommation, selon une stratégie pensée sur le modèle de la guérilla. Ce refus de l'identification se manifeste par une activité artistique qui privilégie elle aussi le processus, autrement dit le geste créateur au détriment de l'objet fini. Processus qui consiste principalement à rendre signifiants des objets insignifiants.
