

Alfred The Doors - Ultimate Easy Guitar Play-Along Easy Guitar TAB Book & DVD

In 1967 The Doors leapt straight into the Vietnam eras heart of darkness with a sound that contrasted sharply with the upbeat mid-60s British Invasion and American rock n roll bands. The fusion of Jim Morrisons disturbing poetry and Ray Manzareks brooding organ yielded a shadowy body of work that remains unique and unmistakable to this day. With this book, you will learn all of the great guitar parts to The Doors most classic songs. To make learning Robby Kriegers parts both fun and easy, the included DVD contains complete, easy-to-follow video lessons for each song. And if you use the disc in a computer, you can access sound-alike and play-along MP3s of every tune, and our exclusive TNT 2 software that lets you create your own custom mixes for practice. Titles: Break on Through (To the Other Side) * L.A. Woman * Light My Fire * Love Me Two Times * People Are Strange * Riders on the Storm * Roadhouse Blues * Touch Me.
