

## Family Emergency First Aids (Chinese Edition)

Dear readers, home is the place that shelters the human from the wind and rain, but it is also the place where accidents usually happen. Do you know how to cope with them when the fire, gas leaking, electricity, food poisoning or accidental hurt happen? So, please read the book with the following questions: 1 Prevention and Self-Helping Methods of Home Fire 2 How to Deal with a gas leak 3 Emergency Response to Electrical Shock 4 Treatment of Accidental Hurt 5 First Aids of Food Poisoning This book introduces the reasons, dangers, first aids and preventive measures of those accidents usually happen at home such as gas and toxic gas leak, the home fire, electrical shock, accidental poisoning and hurt, sudden stop of heart rate and breathing, alien objects going into the body, elevator accident and etc. Home is the place our beloved ones feel close to each other. We feel good to have a home and a safe home is the common aspiration of all of us.
