

Eranos Yearbook 70: 2009/2010-2011

The 70th volume of the Eranos Yearbooks presents the work of the last three years of activities at the Eranos Foundation (2009-2011). It includes the papers given on the theme of the 2011 conference, About Fragility in the Contemporary World, together with talks given on the occasion of the seminar cycle entitled, Eranos Jung Lectures, which took place during the years 2010-2011 to commemorate the 50th anniversary of Carl Gustav Jung's passing. Eminent international scholars gathered to share their work, presented here primarily in English, along with some chapters in Italian. This publication carries additional special meaning in further consolidating the collaboration with the Fetzer Institute by presenting the manuscripts of the Dialogues on the Power of Love, held at Eranos between 2008 and 2011. This project follows the path of the original model of Eranos, especially the aspect of dialogue, searching for understanding and deepening crucial themes in the contemporary world.
