

Midnight Train Song (Song of the Assembly) (Volume 1)

For Shae Nyx, the truth hurts. Even though shes a cheerleader, she always seems to be the outcast, dreaming about the dreaming about the day something will change. For Lorelei Cetus, the future waits for no one. Her secret while hidden must be shared with the one person she trusts, a guy shes only met on the internet. A guy shes to meet on the midnight train. Both ladies paths cross as the midnight train in song and physicality will alter everything. Both better and worse, their journey begins events neither anticipate.
