

# AIDS Scorecards: Overview: UNAIDS Report on the Global AIDS Epidemic 2010

This report provides a quick snapshot of the state of the AIDS response, key findings and action points. For the first time UNAIDS is presenting AIDS scorecards that provide a quick overview of the progress made by United Nations Member States in the global AIDS response. The report also includes highlights of the global epidemiological trends. Together, they provide a synopsis of achievements, failures and obstacles in achieving universal access to HIV prevention, treatment, care and support.
