Shelby Rey can hear you like a song. With one touch, she's in tune with your every hope, every secret. When a celebrity psychiatrist takes an interest in her case, Shelby comes face-to-face with Zac Wyatt, the lead singer of the world-famous rockband, Grounder. For Zac, success isn't enough though. He wants a shot at his first solo album, fame above and beyond Grounder. But the genius behind every one of Grounder's hits is Stanford Lysandre, their heroin-addicted, self-taught lead guitarist. Zac is so jealous he could kill him. Determined to win, Zac realizes that Shelby can do what he can't: hear the music inside him, uncover his feelings, and help him create his own singular style. As Shelby gets closer to the band, she discovers Stanford's secret: he's writing his music. It's a power very familiar to hers, but life-affirming and not destructive. Can Shelby hide her connection to Zac's enemy?
