

Four Tickets to Christmas: A Dramatic Musical

This landmark dramatic musical grows out of a captivating story set in 1905. When a touring musical family finds no place to go for Christmas, they return to their grandparents farm in northern Ohio. There they are forced to deal with longstanding conflicts. In the process they learn the importance of following God's unique direction for their lives. New songs are woven together with a turn-of-the-century flavor appropriate for the era. Unforgettable from start to finish.
