

## A Sense of Wonder: Ten Science Fiction Stories

Ten stories that range from the day after tomorrow to distant future empires spanning the galaxy. Tough everymen and women plucked from the everyday and given a shot at something far better than they have ever known. A racer on the revenge road. A for-hire captain given a chance at heroism. A detective solving a mystery that might reignite flames from the second American Civil War. A woman seeking justice for the murder and desecration of her father. This omnibus collection includes the complete contents of Spicy Space Operas and Terrifying Tomorrows.
